

IMPRINT COLORS

Gordon Sinclair offers a variety of inks at no additional charge. PMS colors are paper colors and will be used for reference only. Due to the nature of ceramics, glass and the firing process, absolute exact matches cannot be guaranteed. A pre-production proof is strongly recommended when imprint colors are critical.

Etch Ink imprint simulates an 'etched' look and is considered a standard imprint color.

PMS color matching is \$30 (V) per color.

STANDARD IMPRINT COLORS

 PMS 108	 PMS 186	 PMS348
